

Press Release

Recognition by Best Lawyers and Handelsblatt: Philipp Reusch, Daniel Wuhrmann, Miriam Schuh and Monika Menz among *Germany Best Lawyers*

Reusch, Wuhrmann and Schuh endorsed once again the category of "product liability litigation." Monika Menz a *Best Lawyer* right away in the category of "Information Technology Law"

Berlin, 25 June 2022. This year as well, Founding Partner Philipp Reusch, Equity Partner Daniel Wuhrmann and Salary Partner Miriam Schuh will be recognized in the *Best Lawyers in Germany 2022* rankings, in the "Product Liability Litigation" category, and will therefore be included in the *Handelsblatt* newspaper's rankings of Germany's best lawyers in 2022. Monika Menz, who joined the reuschlaw team in September 2021 as a Salary Partner, received the coveted distinction in her first year, in the category of "information technology law." Philipp Reusch, who will be receiving this distinction for the 15th consecutive time, commented as follows: "The repeated endorsement of our partners in the field of "product liability" speaks for itself and for our expertise in this field of law, which is constantly confronted with new challenges. I am especially pleased by the endorsement of our attorney specializing in information technology law, Monika Menz, who has been part of our team since September 2021, in the category of "Information Technology Law."

The *Best Lawyers* rankings are issued by Best Lawyers, an established US publication, and are compiled based on a peer-to-peer survey. The list of Germany's Best Lawyers 2022 is published by the *Handelsblatt* newspaper in cooperation with Best Lawyers. Best Lawyers is one of the longest-running lawyer rankings and is highly regarded by clients and lawyers alike.
